SALE OF HOUSE NE COR HAM & LODI AVE.

The discussion of the sale of the house on the northeast corner of Ham Lane and Lodi Avenue having been continued from the meeting of June 5, 1968, the Council reported it had visited the house and felt it was not necessary to make improvements to the house before offering it for sale. On motion of Councilman Kirsten, Brown second, the Council authorized the City Manager to enter into an agreement with the Multiple Listing Service of the Lodi Board of Realtors for the sale of the property at a price of \$17,000.

Councilman Brown felt the garage being so close to the front of the property is hazardous. The Council discussed the possibility of moving the garage prior to the sale and after further discussion Councilman Culbertson moved the City Manager be authorized to call for informal bids to move the garage back so that there is sufficient clearance for a car in front of the garage. The motion was seconded by Councilman Brown and carried unanimously.

1968-69 BUDGET

The Council then reviewed and discussed the City Manager's budget memorandum of June 4, 1968. They considered the list of supplemental requests submitted with the memorandum and, after much discussion on various items, it was generally agreed that the recommendations of the City Manager be accepted. Councilmen Brown and Schaffer questioned the need for the mobil radio for the Public Works Department. After discussion of this item, Councilman Brown moved, Schaffer second, the mobil radio be deleted from the budget. After further discussion, Councilman Culbertson offered a substitute motion that this item be approved at this time, and requested a report from the staff on it at the meeting of June 19, 1968. The motion was seconded by Councilman Kirsten and carried with Councilman Schaffer voting no. Further study of the budget was continued to the meeting of June 19, 1968.

EXECUTIVE The Council then adjourned to executive session at 11:25 p.m.
